FOCUS on Cippenham Meadows No 23

Robert Plimmer with the rubbish he and another volunteer collected in the footpath between Eltham Ave & Richards Way as part of the Great British Spring Clean

Vote for Robert Plimmer to be the new councillor for our area:

Robert has lived in our Cippenham Meadows ward for 20 years: see below

Robert works hard for residents:

- Robert recently joined other volunteers in the local litter pick (see left). He focused on the path from Eltham Ave to Richards Way - where he'd asked for Council action
- Robert Plimmer is getting the Council to demand action from utilities to deal with their exposed & unsightly boxes
- Robert regularly keeps in touch with Focus newsletters
- Robert's action in recent years includes: getting a dangerous gap fixed on Two Mile Brook bridge, getting missing road signs replaced (see back), tackling fly-tipping

Robert Plimmer has lived in Weekes Drive for 20 years 😊

The Tory candidate for Cippenham Meadows lives in Colnbrook!

Robert Plimmer has a long record of working for our local community - he was a leading member of the former Lodge Farm Estate Tenants and Residents Association 😊

Robert Plimmer's home in Weekes Drive is in the middle of Cippenham Meadows ward. The ward stretches from **Salt Hill Way to Moor Furlong.** Robert knows local residents want a councillor who listens to them.

Tories were wrong to massively cut police funding: Robert Plimmer says more action is needed to tackle crime & improve community safety see back page for Robert's strong record of leading community action on this

Robert Plimmer's Action file for Cippenham and Slough

From 2004-14 Robert was a hard-working Lib Dem councillor for another part of Slough. He had a strong record of working hard for that area and the whole of Slough.

Improving community safety: 2008/9: as a councillor Robert worked to secure the funding for gates in back alleyways to improve security as requested by some residents. He then spent many winter evenings and weekends getting enough residents to sign up to enable the gates to be introduced. **Cippenham Meadows needs a hard-working councillor like Robert who gets action taken on local concerns.**

Carbon neutral Council: in 2009 Robert successfully proposed a motion that Slough Council should go carbon neutral by 2020. He is now pressing for an audit of progress towards meeting the target.

Examples of Robert Plimmer's local Cippenham action

Robert Plimmer gets things done for local residents:

In 2015 residents in Wood Lane asked for Robert's help in getting a replacement for the missing road sign. After months of campaigning Robert was successful:

Think how much more hard-working Robert Plimmer could do if he is elected to be a councillor for our area.

Exposed utility boxes: Robert has asked the Council to demand action from utility companies over exposed boxes. Those he has reported this year include boxes in: **Flamborough Spur, Frogmore Close; Keel Drive; Mitchell Close; Moor Furlong; Nicholas Gardens; Raleigh Close; Richards Way** and two in Telford Drive.

Slough needs new councillors who will listen to residents & **oppose the Labour Council's:** unwanted traffic schemes; cuts in youth clubs & concessionary fares; & higher charges:
