FOCUS on Cippenham Meadows No 24

“Thank you” says Robert Plimmer **Hardworking Robert overtakes the Tories** **and he is now second in** **Cippenham Meadows**

Robert Plimmer says “Thank you to all those who supported my campaign in and for Cippenham Meadows. I am delighted to have stormed into second place ahead of the Tories. Many residents told me and my Focus team they were pleased at all the work we did for the local area.

This hard work for Cippenham is continuing.” See below and back.

Lib Dems welcome more money for the NHS, but..

Robert Plimmer welcomes extra NHS funding. Lib Dems have called for this for years. But, experts said there are still massive gaps in Tory plans.

No extra was announced for vital training of new nurses etc, or for social care, or for vital public health services that help prevent ill-health.

Robert also welcomes Slough’s Labour MP’s opposition to NHS privatisation. Robert hopes the MP will also support his campaign against Slough’s Labour Council privatising some local NHS services run from Upton.

Progress on utility box campaign

Robert Plimmer is making progress in his campaign to get action taken to reduce the danger from the exposed utility boxes across Cippenham Meadows. Some have now already been repaired.

During the spring he pressed the Council to get action on a series of 12 boxes he had identified or were reported by local residents. He then wrote a letter that was published in April in both local papers. He also sent a copy to Virgin Media demanding action.

Robert told Virgin the exact location, and details of the problems of the following 12 boxes: **Bridlington Spur; Flamborough Spur; Frogmore Close; Keel Drive; Mitchell Close; Moor Furlong; Nicholas Gdns; Raleigh Close; Richards Way; Telford Drive x 2; Twinches Lane.**

Please let Robert know if any more action is needed (contact details below)
